Marketing builds not only brand awareness but it can also boost sales, grow businesses and keep customers engaged. Embracing a holistic approach to marketing give companies the edge to create and maintain a desirable demand, reputation, and competition. The brand is the company's most valuable intangible assest and the sole responsibility of building brand awareness lies on the shoulders of the marketing department of any organization. In order to stand out from the crowd brand should be given utmost importance.

"Your brand is a story unfolding across all customer touch points." - Jonah Sachs
