

WE ARE LOOKING FOR

Business Manager

POSITION IS NOW OPEN

Job Title: Business Manager

Reports to: Directly to Operations Assistant General Manager

Location: Istanbul / Turkey

Term: Full-time

Overview:

This is a highly strategic role with an extensive scope of responsibilities. You will work closely with the Assistant General Manager of Operations and follow a similar agenda.

What we are looking for:

- End to end management of strategic projects
- Following up with market trends and conducting market research
- Setting and following up with KPI's regarding Operations and company-wide indicators
- Bringing a fresh perspective on matters that affect the company operations
- Clear communication skills and stakeholder management
- Working closely with leaders and contributing towards high level discussions
- Analysing the current status of the company and offering short term and long term plans
- Setting clear roadmaps and priorities
- Willingness to contribute and to make a difference
- Eagerness to learn different aspects of the business and to be involved in various projects
- Working closely with the global teams on implementing best practices in Turkey
