

WE ARE LOOKING FOR

Actuary Lead

POSITION IS NOW OPEN

Job Title: Actuary Leader

Reports to: Directly to Chief Actuary

Location: Istanbul / Turkey

Term: Full-time

Overview:

This is a highly strategic role with an extensive scope of responsibilities. You will work closely with the Chief Actuary and follow a similar agenda.

What we are looking for:

- End to end management of strategic projects
- Having experience in 'Life Insurance'
- Excellent communication skills in English
- Having 'Solvency 2 Certificate'
- Outstanding skills of technical analysis and having a strategic perspective
- Extensive knowledge of 'Prophet Model'
- Having experience in product development, pricing and especially reporting
- Having a growth focused mindset and exploring new business opportunities
- Following up with market trends and conducting market research
- Bringing a fresh perspective on matters that affect overall performance
- Clear communication skills and stakeholder management
- Working closely with Group leaders and contributing towards high level discussions on how performance can be improved
- Analysing the current status of the company and offering short term and long term plans
- Setting clear roadmaps and priorities
- Willingness to contribute and to make a difference
- Eagerness to learn different aspects of the business and to be involved in various projects
- Working closely with the global teams on implementing best practices in Turkey
